#### 范文（One possible version）

Dear Peter,

I'm glad to receive your letter. Also, it is my great pleasure to give you some advice on how to learn Chinese well.

Above all, I feel it important to take a Chinese course, which not only gives you a good chance to learn from the teachers, but also practice what you learn with your fellow students. Besides, it would be a good idea to watch some TV programs as well as read books, newspapers and magazines in Chinese or try to learn and sing some Chinese songs. Last but not least, I suggest that you make more Chinese friends, who will also help you improve your Chinese.

I sincerely hope that you will find the advice I share above helpful. May you make great progress in Chinese!

Yours,  
Li Hua
